SIAL PARIS 2018

21- 25 OCTOBER 2018

Bord Bia have appointed Avant Air & Sea Ltd., to handle Irish participants' shipments to Salon International de l'Agroalimentaire, the world's largest food innovation exhibition, taking place in Paris, 21 – 25 October.

SIAL Paris will showcase the tastes, trends and innovations, shaping the future of food and beverage consumption worldwide. 7020 exhibitors from 109 countries will present their products to retail and foodservice professionals.

Avant have extensive experience in providing global air and ocean freight solutions to the food and beverage industries.

Whether your product is fresh, ambient, chilled or frozen, we would be pleased to assist participants of this event.
